Hi all,

I will be out of town in Oregon and Idaho on work related travel and will not be able to make the meeting. I think you will be impressed at what John, Steve, and the NOAA folks were able to do.

Cheers
Kevin

Dear All,

We have the Wolf Conf room on the 1st floor reserved for our wolverine SSA discussion when Betty is here next Monday and Tues (May 22-23). Room is reserved from 8:30am-5pm both days. The main focus of the meeting will be to present the NOAA snow model results and have discussions about how to integrate those results into the SSA Betty is writing. Justin, we can set up a conf call/webinar if you want to join remotely.

Best, John
