We are discussing and figuring out when to get together. The estimate has been 60k for sometime now. There some of us that see important value.

Hope to caucus before Mike goes to Alaska.

Hi Terry,
I talked about it with Greg and Eric (cc to Paul) and when I called Marj Nelson to ask how much was needed, she said to hold off because the project had just gotten more expensive and they weren't sure it was "worth it" any more. I will follow up with Marj to see if they are ready to go or not.

Thanks,

-Rollie
