Ok – thanks Justin.

Please route the read ahead materials through the surname process to be received NLT three days prior to your meeting. Also, in order to send an invite I need to know who should be on the invitation.

Thank you!

Stephanie

Got your message, I've been out of the office. Did you release the hold on June 15?

Justin,

Noreen has asked that you please make sure that Mike or Nicole are available, as well as Steve T. for this meeting. If not we'll need to look for other options.

Kindest,

Stephanie

Stephanie,

We're hoping to get an hour on Noreen's schedule to provide an update on our progress on the wolverine SSA. Are there any dates in June that would work?
