Hi Jill,

I'm working from home today. The hard copy of the surname package is sitting on my desk. My desk is on floor 2 in budget and finance. It is a cube right next to the main admin desk, my name is on the outside.

We are waiting on Mike to send us a signed surname sheet. Once that is in hand it needs to be printed off, put in the package that is sitting on my desk and taken down to the RDs office. It was supposed to be in their office by COB yesterday so we are behind the ball a bit.

Trina please add in if I've missed something. I'm pretty green on this.

Best, John

Hi Mike,

Can you send us a copy of the wolverine briefing surname sheet with your signature? It isn't on the I drive. We need to run a hard copy of the package down to the RDs office this am.

Thanks John

Hi Marj,

Do you know if the wolverine surname package made it through Mike and to the RD's office? If not, I'll try to chase it up before COB today.

Thanks John
