Sounds good, won't take me long.
Best, John

Probably no more than 2 short paragraphs. Enough to help develop a summary statement of trapping effort in this region and potential effects, based on the information we have been able to obtain.

Thanks Betty, I'll start writing on this tomorrow. Roughly how many words/paragraphs do you want on the Canada border trapping issue?

Thanks John

John - See attached for draft section and placeholder for border-specific discussion. If you want to add to this word document, that's fine. I'll paste it back in the document.

Thanks for your help.

Betty
