Subject: no meeting today, run-through tomorrow Re: Invitation: Wolverine - snow modeling presentation w/ NOAA/CU @ Wed Feb 15, 2017 11am - 4pm (john_guinotte@fws.gov)
Date: Monday, February 13, 2017 2:21:17 PM

Hi All, we're all finishing up work for the presentation on Wednesday at FWS, so no wolverine meeting today, but Joe and I want to meet tomorrow at 2 in 1D708 (and go-to meeting) to go over the presentation and make final decisions on what to use for the main presentation. Ben -- let me know whether you can join, if not, we'll work something out, or just use email. Joe -- the room wasn't available at 1:30.

I'm putting together slides on googledrive, and will share that with you shortly.

We'll also put slides we don't plan to use in the main presentation into another googleslide file for use in the discussion in the afternoon on Wednesday

As you send slides, please use the notes section to spell out acronyms or abbreviations, or other material that might go in a caption.

thanks, all! Andrea

Dear All, Here is the call in info and the webex link for the snow model presentation on Wed 11 am. Use the phone line to call in, not the webex call in.
