Greetings:

Please find attached a copy of the following report: **DETAILED HABITAT ASSESSMENTS FOR INDIANA AND NORTHERN LONG-EARED BATS ALONG THE PROPOSED MOUNTAIN VALLEY PIPELINE PROJECT IN CRAIG, FRANKLIN, GILES, MONTGOMERY, PITTSYLVANIA, AND ROANOKE COUNTIES, VIRGINIA**

Also included in the attachment is a GIS shapefile containing the delineated habitat patches and potential roost tree locations.

Please feel free to contact us if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Judy", is enclosed within a rectangular box.
