Subject: FW: MVP BA and MBCP Review Meeting - VA Big Eared Bat?
Date: Thursday, January 5, 2017 10:20:08 AM

Hi Tiernan,

Happy New Year! Hope you had a nice holiday break.

Just following up on some e-mails from MVP. Sumalee's response is below regarding VBEB. From WV standpoint, does it need to be addressed in the BA? It doesn't for VA.

Thanks!

Jen

I double checked about the VBEB after our meeting. The pipeline isn't going thru any potential habitat in VA. I think they got an acoustic hit in WV.

Hi Sumalee,

Just going through e-mails to make sure we didn't forget anything.

I wasn't sure if you had responded to Taina about this. If not, I just checked the MVP action area on RAPTR again the occurrence data in NHP and DGIF and didn't see any Virginia big-eared bat occurrences. Is there another GIS layer I should check? I didn't use RAPTR because

it's so slow at home.

Thanks!

Jen,
I apologize for an error in my previous email regarding the gray bat. We will address the gray bat in the BA. I intended to confirm that the Virginia big-eared bat does not need to be addressed in the BA. Please let me know.
Thank you,
Megan

Jen,

Thank you for the email. We are working on compiling the documents that you requested and will send them over as soon as possible.
Have you been able to confirm that the comments you are compiling can be reviewed and issued by the end of December?

Also, can you please confirm that the gray bat will not need to be addressed in the BA?

Please feel free to reach out with additional questions or requests.

Thank you,
Megan

Subject: RE: MVP BA and MBCP Review Meeting

Dear Megan,

Thank you for coming to meet with us to review the draft BA.

There are some documents and additional information that we would like to see and it was indicated they could be provided to us. Here is the list from my notes during the meeting:

- Draft Spill Plan
- Karst Plan
- Blasting Plan
- Additional information about stream crossings and associated listed species, if applicable.
- Hydro-testing, water withdrawal and discharge plans
- GIS shape file of action area, which should include the buffer areas

I'm probably missing something from the list. If there is anything else discussed at the meeting, please feel free to add to it.

Thanks!
Jen

Troy, Kim, Sumalee, Jennifer, Sarah and Tiernan,
Thank you very much for taking the time to meet with the MVP team last week. The meeting was very productive and we greatly appreciate your feedback. We are starting to address the

comments you provided during the meeting, but also look forward to receiving the written, compiled comments you plan to issue. As discussed during the meeting, it is my understanding that the comments will be compiled by December 23 and then will be issued to MVP upon final management review. Please let me know if there is any change to that schedule.

We also discussed setting up separate meetings to discuss the Migratory Bird Conservation Plan and mitigation for the project. I will send a doodle poll to determine the best date/time for those meetings.

Please feel free to reach out to me with additional comments or questions at any time.

Thanks again,

Megan

Subject: MVP BA and MBCP Review Meeting

When: Thursday, December 08, 2016 1:00 PM-3:00 PM (UTC-05:00) Eastern Time (US & Canada).

Where: GFO and EFO

All,

Please accept this meeting request to review the MVP BA and MBCP together. If you have comments or questions on the documents that you would like to share prior to the meeting please send them to me so that your concerns can be added to the agenda and addressed during the meeting.

Taina Pankiewicz (ESI) and I will be at the Gloucester Office for the meeting and Val Clarkston (ESI) will be at the Elkins Office. We can conference the two offices together using the following number:

Dial: [REDACTED]
Leader: [REDACTED]

Participant: [REDACTED]

Please forward this request (or let me know if you would like me to forward the meeting request) to representatives from state agencies involved in the project such as VDGIF, VDCR, and WVDNR, etc.

Thank you,
Megan
