

Start: Wed 10/11/2017 2:00 PM
End: Wed 10/11/2017 2:30 PM

Recurrence: (none)

Meeting Status: Accepted

Organizer: jennifer_stanhope@fws.gov

FERC made recommendations to MVP to implement various measures including route variations (e.g., avoidance of Slussers Chapel Conservation Site, variation 250 on pg 3-69 of FEIS). MVP plans to implement variation 250 and wants us to include this in FERC's proposed action. What do we propose as next steps?

Cindy- including you as an FYI.
