Have not heard from Draper Aden about these realignments.

Hi Wil,

In our comment letter to MVP we recommended they work with you and our office to identify routes that would not impact Canoe or Tawney's Cave. My co-worker was on a call with one of their consultants today and they mentioned that the consultant group, Draper Aden, was beginning to work with you on possible route re-alignments? If this is correct, I'll need to be part of these discussions.

Thanks,

Sumalee
