Subject: Mountain Valley Pipeline BA Review
Date: Monday, November 14, 2016 3:33:09 PM

Troy, Kim, Sumalee, Jennifer, and Tiernan,

I am reaching out to let you know that I am working on the Mountain Valley Pipeline Project, specifically in regards to Section 7 and mitigation efforts for the project. As the second draft of the BA was sent to your offices several weeks ago I would like to set up a meeting to discuss the document and next steps in the review process. I will send a doodle poll to determine the best date/time for the meeting. It would be great if we could all meet in person but alternatively we can set up a conference between the two field offices for the meeting like the last meeting on this topic. Please feel free to reach out to me with any questions, or if you have feedback during your review of the BA.

Also, please feel free to forward the meeting invitation to anyone else from your office that should be included in the discussion.

Thank you,
Megan
