Subject: Action Required: Fast 41 data call Due Thursday Noon (6/22)
Date: Monday, June 19, 2017 4:58:06 PM

Folks,

Sorry for yet another datacall. HQ is requesting a few pieces of data regarding some pipeline projects that you are working on. It is just a little bit of information that your project biologist or you should be able to readily answer. As I will be at a RO staff retreat tomorrow and Wednesday, please contact Frankie Green at 703-358-1884 if you have any questions.

[Here is a link to the Google sheet in which to provide the missing information.](#)
