Subject: [EXTERNAL] MVP consultation
Date: Wednesday, May 23, 2018 8:09:28 AM

Hi Cindy and Troy,

I tried calling both of you this morning in hopes of discussing your thoughts on yesterday's request by the Sierra Club for FERC to reinitiate consultation with your office. MVP is anxious to know how we can help work through this, and how our project could be affected in the meantime. Do you have time to discuss this today?

I can be available at any time.

Thanks,

Megan
