Should have replied to everyone the first time.

OK then, 20 July 12:30. Tiernan's office or ours?

I have a meeting that morning and Jennifer isn't available until 2:00. I can also do Friday morning if that's better?

Tiernan,

I am writing to follow up on my voicemail from the end of last week. I understand that you are out at training this week, but I am hoping you might have time for a meeting next week. Are you available for a meeting either Wednesday (7/5) or Thursday (7/6)? I could come to your office.

I would like to provide a summary of yesterday's meeting with VFO and discuss plant avoidance and minimization and voluntary conservation measures.

I am including Cliff on the email too in hopes that he can participate in the meeting since we are seeking the state's input on the voluntary conservation measures.

Let me know your thoughts.

Thanks,

Megan
