Hi Sumalee and Tiernan,

See below.

Can we schedule a call tomorrow or Wed to discuss below, including preparing the response letter to FERC and our preference for the BO template (effects table or not?)

I'm free 1-5 pm Tuesday and after 10am-5pm on Wed. Let me know your availabilities.

Thanks,  
Jen

Jen:

There were several outstanding questions we had regarding MVP. I met with Cindy and the below summarizes the results of our conversation. If I missed anything or if anything is unclear, let me know.

- Unless different guidance is provided by HQ/R5, our internal due date for the draft BO is 1 Oct 17. We are having a meeting regarding ACP timelines on 8/14. I'd expect there may be some information we hear during this that will be applicable to MVP.
- Cindy is good with using a "hybrid template". She would like to have additional discussion about the template, how we plan to get/review WV's info etc. Please schedule 30 minutes for an internal discussion on those topics.
- We need to get her the response letter by mid-week to ensure there's enough time for WV/R5 review.

Welcome back!

Troy
