Sorry I was out of the office at the Shale Insight Conference. I'm in today until 1:30 let me know if you have time to discuss.

Subject: MVP Meeting

Hi John and Tiernan,

I am writing to follow up on my voicemail to you earlier today. Do you have time in the next week or so to discuss the draft MOU that Cliff presented regarding bat and bird mitigation for MVP? I would like to better understand how this would be incorporated in to the BO and discuss potential concerns with the inconsistency between WV and VA.

Please let me know when you can be available.

Thank you,

Megan
