E. IMPORT OF SPORT-HUNTED TROPHIES (*Appendix I of CITES and/or ESA*)

Note 1: This form should be used to request authorization to import trophies of species listed on Appendix I of CITES and/or as threatened or endangered under the ESA (examples include elephants, lions, cheetahs, wood bison, and markhor).

PLEASE USE FORM 3-200-19 FOR SOUTHERN AFRICAN LEOPARD TROPHIES AND SOUTHERN WHITE RHINOCEROS TROPHIES TAKEN IN NAMIBIA.

Note 2: If you hold an import permit for a trophy that you did not use, please **return the unused original permit**. If you are requesting reissuance of a permit because you have taken a trophy, but were unable to import it prior to the expiration of the permit, please use the renewal form ([3-200-52](#)) and return your original permit with that form.

Note 3: Applications for species listed as endangered under the U.S. Endangered Species Act are published in the Federal Register for a 30-day public comment period. Please allow at least **90 days** for the application to be processed.

Note 4: *Sport-hunted trophy* is defined at [50 CFR 23.74](#) as follows: *Sport-hunted trophy* means a whole dead animal or a readily recognizable part or derivative of an animal specifically identified on the accompanying CITES document that meets the following criteria:

- Is raw, processed, or manufactured;
- Was legally obtained by the hunter through hunting for his or her personal use;
- Is being imported, exported, or re-exported by or on behalf of the hunter as part of the transfer from its country of origin ultimately to the hunter's country of usual residence; and
- Includes worked, manufactured, or handicraft items made from the sport-hunted animal only when:
 - i. Such items are contained in the same shipment as raw or tanned parts of the sport-hunted animal and are for the personal use of the hunter;
 - ii. The quantity of such items is no more than could reasonably be expected given the number of animals taken by the hunter as shown on the license or other documentation of the authorized hunt accompanying the shipment; and
 - iii. The accompanying CITES documents (export document and, if appropriate, import permit) contain a complete itemization and description of all items included in the shipment.

Note 5: Certain hunting trophies, including elephants, are subject to restrictions on their use after import into the United States. Please see 50 CFR 23.55 for more information or contact the Division of Management Authority.

Please provide the following information. Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you are submitting; please indicate the application question number you are addressing. If applying for more than one trophy, be sure to answer questions 4-6 for each trophy addressed in this application. If importing trophies from more than one country, you must submit a separate application for each shipment in order to obtain separate import permits.

1. Name and address where you wish the permit to be mailed, if different from page 1. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via the U.S. Postal Service.
2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?

David Asal, (b) (6)

3. Disqualification factor. A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. (50 CFR 13.21(c)) Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?

☒ No ☐ Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court; and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

4. For each trophy to be imported, provide:

a. Scientific name (genus, species, and, if applicable, subspecies) and common name.

Panthera leo Melanochaita African Lion

b. Sex (if known). Male

5. **IF ANIMAL IS CURRENTLY LIVING IN THE WILD**, please enter the following information:

a. Country and place (area, region, GIS coordinates, ranch, conservancy, management area, or hunting block, AND nearest city) where wildlife is to be taken from the wild:

Zambia, Mwanya GMA, Eastern Province, S120°35.758 E032°06.072, Mfuwe

b. Date wildlife is to be hunted:

07/23/2020 - 08/12/2020

c. Name of hunting outfitter, safari company, or professional hunter you will be hunting with:

MVU Safaris Zambia - Peter Chipman (Professional Hunter)

6. **IF THE TROPHY HAS ALREADY BEEN TAKEN**, please enter the following information:

a. Country and place (area, region, GIS coordinates, ranch, conservancy, management area, or hunting block, AND nearest city) where wildlife was removed from the wild:

b. Date wildlife was hunted:

c. Name of hunting outfitter, safari company, or professional hunter you hunted with:

d. The current location of the trophy (address and country) [the U.S. import permit will identify this country as the country of export/re-export and must match with the foreign export/re-export document]:

7. Please provide a copy of any applicable foreign government permits or licenses that were required to remove this animal from the wild (if you have not hunted yet and do not currently hold any such permits or licenses, please indicate so). Have not hunted yet and do not have license yet

8. Complete name and address of overseas person or business shipping the trophy to you. If you are applying to import a trophy directly from **Namibia**, you must provide the name and address of the professional hunter listed on your Namibian hunting permit [this name will appear on the face of the export permit].

9. For species listed under the U.S. Endangered Species Act, please be aware that the U.S. Fish and Wildlife Service (Service) must make a finding that your activities will enhance or benefit wild populations of the species involved. While we will communicate with the range country for the species you will hunt or hunted when making the required findings, if you have any information that could support this finding, it would be helpful for our review if you could provide it. Please submit such information on a separate page with your application.

a. Do you have any information regarding the population status or trend data on the species hunted?

Yes, see report

b. In order to hunt, you likely paid for licenses or trophy fees. What were those fees and do you have any information on how those funds were used by either the landowner, local community, or government?

Yes, see report

c. Do you have information on other funding activities that are being carried out, or were carried out, by the safari outfitter, professional hunter, concession holder, or landowner that provide a conservation benefit to the species being hunted/species hunted?

Yes, see report

I. DESCRIPTION OF COMPANY AND CONCESSION

Mvu Safaris, Ltd. has been operating in Mwanya Concession since April 2015. The concession provides habitat for a range of species including Lion, Leopard, Buffalo, Elephant, Hippo, Crocodile, Cookson Wildebeest and Plains Game. The concession is in Eastern Province of Zambia and shares boundaries with three national parks on the west side, northern side and southern side. The area is classified as prime hunting area. Mvu Safaris has entered into a seven year lease agreement with the wildlife authority and communities and is renewable subject to conducting successful conservation records of the Ecological system.

Our company is a Limited Company whose Directors are Mr. Mohammed Saeed Essa and Mr. Gulam Adam Patel. The Company has been operating in this country for 6 years although this concession was acquired in April 2015. In view of this Mvu Safaris maintains two Hunting Concessions which is Mufunta and Mwanya. Mvu Safaris has one resident Professional Hunter who also provides the duties of a Camp Manager. Other employees include four game trackers, twelve anti-poaching scouts, and eight camp staff (cooks, cleaning, miscellaneous). There are about Twenty two Families that are direct beneficiaries from Mvu Safaris employees. These beneficiaries come from the local community.

The Resident Professional Hunter comes from the nearest town called Chipata. We can approximate that more than 200 people benefit from our operations because most of these employees have more than one wife and have a number of dependents who depend on them for survival. We very much appreciate the donations that are made by some clients from the United States of America as these go a long way in improving the quality of life in these rural communities of Zambia. In most circumstances these communities do not have an economic activity which can assist them raise money for school fees and medication. The only activities which they engage themselves in is farming which is done at subsistence level to only provide for their families. This therefore follows that Safari Hunting provides some economic benefit to these communities as it enable the employees to raise some money to send their children to school, buy school necessities and meet some basic healthcare requirements.

Safari hunting therefore helps not only meet some financial needs of these communities but also prevents them from Illegal Hunting Activities which have adverse effects on the population of the animals. It therefore follows that most of the revenue for Safari Hunting is derived from hunting of Lion and Leopard. With this in mind Mvu Safaris, the Community and the Wildlife Authorities have an enormous task to prevent the Cats from going into extinction by providing a more robust anti –poaching system to prevent the extinction of cats in these concessions.

II. ANTI-POACHING COMPONENT

Mvu Safaris maintains six groups of anti-poaching teams. Each team consists of three men per team and is equipped with a 4x4 Land cruiser, uniforms and boots, tents, rations, and a satellite phone. The patrols are done in conjunction with the Wildlife Scouts. We supply rations at least twice per month to both the government game scouts and our village scouts to ensure they are sufficiently equipped for the patrols.

In 2018, Mvu Safaris spent almost **\$40,410** in Mwanya on anti-poaching patrols, equipment, and assistance to the Wildlife Authority and community scouts, including by providing 2400 liters of diesel for patrol vehicles. We recorded 212 patrol days and well above 1400 patrol hours. We also made over \$10,000 in payments of rewards to leads helping in the abduction of poachers. A breakdown of spending on anti-poaching is below.

Item	Spend (USD)	Notes
Scout salaries	10,200	Directly paid and some subsidies to WA
Scout equipment	5000	Clothing, vehicles, phones, tents, etc.
Diesel / petrol	7010	For scouts and WA
Rations for WA and community scouts	8,200	
Rewards	10,000	For information and arrests
TOTAL	\$40,410	

The concession agreement has a clause which requires Mvu Safaris to submit Annual reports on the Anti-Poaching Activities and patrols done in each particular year to the Wildlife Authorities. This report will be taken into account in 2021 whether to renew the concession or not.

III. COMMUNITY PARTICIPATION

A. Community Assistance Component

We make contributions to the community Resource Boards of about \$30900 annually as per agreement which was entered in 2015 by Mvu Safaris, the Community and the Wildlife Authorities.

In addition to these direct contributions, we pledge to distribute at least 50% of game meat harvested to the villages. In 2015 the value was \$34000.

B. Conflict Control

We usually have reports of problem Animals mainly Elephants destroying crops for villagers. We expect to set aside about 10000 dollars for compensation purposes when we have such occurrences. In 2015 we paid \$1000 in compensation to maize fields that were damaged by Elephants to grain fields for Villagers.

IV. HABITAT PROTECTION AND CONSERVATION DEVELOPMENT

We have developed the water infrastructure for the exclusive use of wildlife in our concession. The infrastructure developed so far is natural pans which costs approximately \$500 to maintain in 2015 and 2016 respectively. The increased water supply increases the carrying capacity of the concession and the lion's prey base due to more game residing in the concession by finding water resource.

The concession is along the Luangwa River with its smaller streams flowing through the concession creating more water availability for animals. As a result we have a lot of Game in our concession which attracts Lion and Leopard.

V. OTHER INFORMATION

A. Prey Base

Mvu Safaris in Mwanya is still monitoring the population growth of the Lion and Leopard which will result from efforts done so far such as anti-poaching efforts, water provision, and fire management. Mvu Safaris will further engage the wildlife Authorities in monitoring the resources on the ground by positioning cameras in strategic areas so as to monitor the Activities of the Lion and Leopard. Even though our area is rated as a prime area we will work extra hard to grow the population of the Species by at least 15% per year. This will be done by introducing a deliberate approach where only old animals will be harvested for trophies and work on very careful allocated quota utilization per year in the block.

We will also engage the wildlife authorities to regulate resident Hunting by proposing that animals hunted for food purposes should be female so as to balance the Eco system. We further wish to propose that resident hunting should be closely monitored and supervised because we have had reports in the past where resident hunters would not conduct proper ethical hunting methods in the hunting concession where they get allocated hunting rights per year for their own personal hunting opportunities as residents of Zambia and we wish to bring this anomaly to an end.

B. Lion Population Tracking

Lion is not easy to track and as such we are still developing tools which we will use to study the population of Lion in our area better. As at now we use Lion tracks and foot prints. Sightings by individuals and the cameras which we used this year to monitor the size and age for the Lion that we harvested in 2016.

C. Elephant Hunting

Mvu Safaris does not only limit its Sustainable-Hunting based approach to cats only. We are aware that Elephant is also a high Value Hunting Safari. Recognising this fact we at Mvu Safaris have a policy which is in line with the wildlife Authorities of not taking Elephant whose tusks is weighing below 15 kilograms.

D. Lion Aging Approach

Like other Safari Companies we have been following an age-based policy for African Lion trophies since 2015, after adopting a mutual aging agreement with our wildlife Authorities, and to be conservative in estimating age.

A number of potential Lion Trophy were not hunted this year because of their selectiveness.

Our approach as a company from 2015 until 2021 when our concession will be due for renewal is to hunt lion which has reached an advanced and mature age only of minimum 5 years and above.

E. U.S. Hunters

Our Largest clientele is from the United States of America. We are happy to report that we have had very good relations with most of these clients who are willing to get out of their way and spend extra in terms of donations to communities and towards Anti-poaching programs. Their approach to Safari Hunting has been that of maintaining high ethics of sustainability so as to improve the numbers of species in these concessions.

CONCLUSION

Mvu Safaris regulated, sustainable-use based hunting program enhances the survival of the Lion/Leopard. Our program helps to preserve and improve available Lion/Leopard habitat. Our anti-poaching program serves to protect and grow the cats prey base and reduces incidental off take by meat poachers. And our community participation and assistance program demonstrates the potential value of wildlife (especially Lion) to local communities. Mvu Safaris does not limit its Sustainable use based hunting approach to Cats only but includes other species which are of high value including the African Elephant. Mvu Safaris has anti-poaching awareness campaign programs also which are done through funding sporting activities. This has helped improve the awareness on poaching in the community and how poaching robs them of the much needed finances generated from these natural resources. We can confirm that the communities in our concession are fully aware of the benefits that Safari Hunting comes along with and the dangers that are posed to this resource if poaching is left to escalate at higher levels. The community is now more than willing to bring to our attention any suspicious activities by some members of the communities.

E. IMPORT OF SPORT-HUNTED TROPHIES (*Appendix I of CITES and/or ESA*)

Note 1: This form should be used to request authorization to import trophies of species listed on Appendix I of CITES and/or as threatened or endangered under the ESA (examples include elephants, lions, cheetahs, wood bison, and markhor).

PLEASE USE FORM 3-200-19 FOR SOUTHERN AFRICAN LEOPARD TROPHIES AND SOUTHERN WHITE RHINOCEROS TROPHIES TAKEN IN NAMIBIA.

Note 2: If you hold an import permit for a trophy that you did not use, please **return the unused original permit**. If you are requesting reissuance of a permit because you have taken a trophy, but were unable to import it prior to the expiration of the permit, please use the renewal form ([3-200-52](#)) and return your original permit with that form.

Note 3: Applications for species listed as endangered under the U.S. Endangered Species Act are published in the Federal Register for a 30-day public comment period. Please allow at least **90 days** for the application to be processed.

Note 4: *Sport-hunted trophy* is defined at [50 CFR 23.74](#) as follows: *Sport-hunted trophy* means a whole dead animal or a readily recognizable part or derivative of an animal specifically identified on the accompanying CITES document that meets the following criteria:

- Is raw, processed, or manufactured;
- Was legally obtained by the hunter through hunting for his or her personal use;
- Is being imported, exported, or re-exported by or on behalf of the hunter as part of the transfer from its country of origin ultimately to the hunter's country of usual residence; and
- Includes worked, manufactured, or handicraft items made from the sport-hunted animal only when:
 - i. Such items are contained in the same shipment as raw or tanned parts of the sport-hunted animal and are for the personal use of the hunter;
 - ii. The quantity of such items is no more than could reasonably be expected given the number of animals taken by the hunter as shown on the license or other documentation of the authorized hunt accompanying the shipment; and
 - iii. The accompanying CITES documents (export document and, if appropriate, import permit) contain a complete itemization and description of all items included in the shipment.

Note 5: Certain hunting trophies, including elephants, are subject to restrictions on their use after import into the United States. Please see 50 CFR 23.55 for more information or contact the Division of Management Authority.

Please provide the following information. Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you are submitting; please indicate the application question number you are addressing. If applying for more than one trophy, be sure to answer questions 4-6 for each trophy addressed in this application. If importing trophies from more than one country, you must submit a separate application for each shipment in order to obtain separate import permits.

1. Name and address where you wish the permit to be mailed, if different from page 1. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via the U.S. Postal Service.

9. For species listed under the U.S. Endangered Species Act, please be aware that the U.S. Fish and Wildlife Service (Service) must make a finding that your activities will enhance or benefit wild populations of the species involved. While we will communicate with the range country for the species you will hunt or hunted when making the required findings, if you have any information that could support this finding, it would be helpful for our review if you could provide it. Please submit such information on a separate page with your application.

- a. Do you have any information regarding the population status or trend data on the species hunted?

INCLUDED

- b. In order to hunt, you likely paid for licenses or trophy fees. What were those fees and do you have any information on how those funds were used by either the landowner, local community, or government?

- c. Do you have information on other funding activities that are being carried out, or were carried out, by the safari outfitter, professional hunter, concession holder, or landowner that provide a conservation benefit to the species being hunted/species hunted?

WILDLIFE UTILISATION – HUNTING OF AN ADULT MALE LION

Locality : Kalahari Oryx Nature Reserve (Hunting area 68 000 ha /168 031 Acres)
Period : 24-26 October 2019

I hereby certify that during the period stated above the hunt was conducted under my personal supervision. All the necessary legal requirements were met, and the hunt was conducted according to international acceptable fair chase principles within the above-mentioned extensive wildlife system.

Guided by the professional hunter, Mr Parker hunted on foot by walking and stalking. He declined an opportunity to hunt a younger male lion and passed various female lions roaming in the area. After hours of hard tracking in the Kalahari sand, a very beautiful adult male lion was found and following an initial charge, the animal was shot with a rifle at very short distance.

In this province we do not allow the captive breeding or hunting of any large predator and all lion occur in very large areas where they fend for themselves as in a natural, free ranging situation.

Congratulations with a very successful hunt within the Northern Cape Province, South Africa.

Yours sincerely.

Dear Mr Jacobs

CONFIRMATION OF KALAHARI ORXY AS A FACILITY IN POSSESSION OF WILD *PANTHERA LEO* (LION) POPULATION

The South African Government has in the 2016 annual year submitted information on the enhancement of the hunting of the wild South African lion populations to conservation of the species and upon a thorough assessment, the United States Fish and Wildlife Service has approved the enhancement finding on the hunting of the South African populations of Wild lions allowing for the importation of trophies from wild sourced lions.

In order to ensure that integrity of the hunting farms that possesses wild lions, an assessment criteria was developed which looks at aspects including: the area is sufficient to sustain a single social unit, the populations have a viable social structure, they are breeding in area in which they are roaming, the animals are not fed or receive any supplementary feeding and that the populations are from the wild.

In light of the above, the South African Government would like to confirm that Kalahari Oryx Private Game Reserve situated in the Northern Cape has been recommended as a facility that is possession of wild lion populations that are viable for hunting purposes.

Hope you find the above in order.

Yours sincerely

Customs Rules on Discharge of Importers Liability for Duties

The U.S. Customs Service has issued a final amendment of the regulations to provide an alternative procedure for an Importer record to pay duties on imported merchandise through a licensed customhouse broker. Present rules provide for the payment of duties to Customs by a broker on behalf of the importer. Under the alternative procedure, the Importer may elect to submit to the broker a separate check or bank draft for the duties payable to the "U.S. Customs Service". The broker would then deliver the Importer's check or bank draft to Customs. The new rule also requires brokers to provide written notification to their clients, advising that if the client is an Importer of record, payment to the broker will not relieve the client of liability for Customs charges in the event that the charges are not paid by the broker. Brokers will be required to provide this notification to all active clients annually during the month of February. Additionally, brokers will be required to provide such information on a power of attorney executed on or after the effective date of the new rule. These amendments are effective as of September 27, 1982.

E. IMPORT OF SPORT-HUNTED TROPHIES (*Appendix I of CITES and/or ESA*)

Note 1: This form should be used to request authorization to import trophies of species listed on Appendix I of CITES and/or as threatened or endangered under the ESA (examples include elephants, lions, cheetahs, wood bison, and markhor).

PLEASE USE FORM 3-200-19 FOR SOUTHERN AFRICAN LEOPARD TROPHIES AND SOUTHERN WHITE RHINOCEROS TROPHIES TAKEN IN NAMIBIA.

Note 2: If you hold an import permit for a trophy that you did not use, please **return the unused original permit**. If you are requesting reissuance of a permit because you have taken a trophy, but were unable to import it prior to the expiration of the permit, please use the renewal form (3-200-52) and return your original permit with that form.

Note 3: Applications for species listed as endangered under the U.S. Endangered Species Act are published in the Federal Register for a 30-day public comment period. Please allow at least **90 days** for the application to be processed.

Note 4: *Sport-hunted trophy* is defined at 50 CFR 23.74 as follows: *Sport-hunted trophy* means a whole dead animal or a readily recognizable part or derivative of an animal specifically identified on the accompanying CITES document that meets the following criteria:

- Is raw, processed, or manufactured;
- Was legally obtained by the hunter through hunting for his or her personal use;
- Is being imported, exported, or re-exported by or on behalf of the hunter as part of the transfer from its country of origin ultimately to the hunter's country of usual residence; and
- Includes worked, manufactured, or handicraft items made from the sport-hunted animal only when:
 - i. Such items are contained in the same shipment as raw or tanned parts of the sport-hunted animal and are for the personal use of the hunter;
 - ii. The quantity of such items is no more than could reasonably be expected given the number of animals taken by the hunter as shown on the license or other documentation of the authorized hunt accompanying the shipment; and
 - iii. The accompanying CITES documents (export document and, if appropriate, import permit) contain a complete itemization and description of all items included in the shipment.

Note 5: Certain hunting trophies, including elephants, are subject to restrictions on their use after import into the United States. Please see 50 CFR 23.55 for more information or contact the Division of Management Authority.

Please provide the following information. Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you are submitting; please indicate the application question number you are addressing. If applying for more than one trophy, be sure to answer questions 4-6 for each trophy addressed in this application. If importing trophies from more than one country, you must submit a separate application for each shipment in order to obtain separate import permits.

1. Name and address where you wish the permit to be mailed, if different from page 1. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via the U.S. Postal Service.

3. Disqualification factor. A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. (50 CFR 13.21(c)) Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?

☒ No ☐ Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court; and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

4. For each trophy to be imported, provide:

a. Scientific name (genus, species, and, if applicable, subspecies) and common name.

Panthera leo, melanochaita

b. Sex (if known). *male*

5. **IF ANIMAL IS CURRENTLY LIVING IN THE WILD**, please enter the following information:

6980 Katang Rd
LUSAKA, Zambia

7. Please provide a copy of any applicable foreign government permits or licenses that were required to remove this animal from the wild (if you have not hunted yet and do not currently hold any such permits or licenses, please indicate so).

See attached

8. Complete name and address of overseas person or business shipping the trophy to you. If you are applying to import a trophy directly from **Namibia**, you must provide the name and address of the professional hunter listed on your Namibian hunting permit [this name will appear on the face of the export permit].

9. For species listed under the U.S. Endangered Species Act, please be aware that the U.S. Fish and Wildlife Service (Service) must make a finding that your activities will enhance or benefit wild populations of the species involved. While we will communicate with the range country for the species you will hunt or hunted when making the required findings, if you have any information that could support this finding, it would be helpful for our review if you could provide it. Please submit such information on a separate page with your application.

- a. Do you have any information regarding the population status or trend data on the species hunted?

See attachments

- b. In order to hunt, you likely paid for licenses or trophy fees. What were those fees and do you have any information on how those funds were used by either the landowner, local community, or government?

see attachments

- c. Do you have information on other funding activities that are being carried out, or were carried out, by the safari outfitter, professional hunter, concession holder, or landowner that provide a conservation benefit to the species being hunted/species hunted?

E. IMPORT OF SPORT-HUNTED TROPHIES (*Appendix I of CITES and/or ESA*)

Note 1: This form should be used to request authorization to import trophies of species listed on Appendix I of CITES and/or as threatened or endangered under the ESA (examples include elephants, lions, cheetahs, wood bison, and markhor).

PLEASE USE FORM 3-200-19 FOR SOUTHERN AFRICAN LEOPARD TROPHIES AND SOUTHERN WHITE RHINOCEROS TROPHIES TAKEN IN NAMIBIA.

Note 2: If you hold an import permit for a trophy that you did not use, please **return the unused original permit**. If you are requesting reissuance of a permit because you have taken a trophy, but were unable to import it prior to the expiration of the permit, please use the renewal form (3-200-52) and return your original permit with that form.

Note 3: Applications for species listed as endangered under the U.S. Endangered Species Act are published in the Federal Register for a 30-day public comment period. Please allow at least **90 days** for the application to be processed.

Note 4: *Sport-hunted trophy* is defined at 50 CFR 23.74 as follows: *Sport-hunted trophy* means a whole dead animal or a readily recognizable part or derivative of an animal specifically identified on the accompanying CITES document that meets the following criteria:

- Is raw, processed, or manufactured;
- Was legally obtained by the hunter through hunting for his or her personal use;
- Is being imported, exported, or re-exported by or on behalf of the hunter as part of the transfer from its country of origin ultimately to the hunter's country of usual residence; and
- Includes worked, manufactured, or handicraft items made from the sport-hunted animal only when:
 - i. Such items are contained in the same shipment as raw or tanned parts of the sport-hunted animal and are for the personal use of the hunter;
 - ii. The quantity of such items is no more than could reasonably be expected given the number of animals taken by the hunter as shown on the license or other documentation of the authorized hunt accompanying the shipment; and
 - iii. The accompanying CITES documents (export document and, if appropriate, import permit) contain a complete itemization and description of all items included in the shipment.

Note 5: Certain hunting trophies, including elephants, are subject to restrictions on their use after import into the United States. Please see 50 CFR 23.55 for more information or contact the Division of Management Authority.

Please provide the following information. Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you are submitting; please indicate the application question number you are addressing. If applying for more than one trophy, be sure to answer questions 4-6 for each trophy addressed in this application. If importing trophies from more than one country, you must submit a separate application for each shipment in order to obtain separate import permits.

1. Name and address where you wish the permit to be mailed, if different from page 1. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via the U.S. Postal Service.

*** ENVELOPE ATTACHED ***

2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?

JOY LANHAM, TEL: 281-606-2400 EMAIL: TROPHIES@WELL-USA.COM

3. Disqualification factor. A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. (50 CFR 13.21(c)) Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?

☒ No ☐ Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court; and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

4. For each trophy to be imported, provide:

9. For species listed under the U.S. Endangered Species Act, please be aware that the U.S. Fish and Wildlife Service (Service) must make a finding that your activities will enhance or benefit wild populations of the species involved. While we will communicate with the range country for the species you will hunt or hunted when making the required findings, if you have any information that could support this finding, it would be helpful for our review if you could provide it. Please submit such information on a separate page with your application.

- a. Do you have any information regarding the population status or trend data on the species hunted?

ATTACHED

- b. In order to hunt, you likely paid for licenses or trophy fees. What were those fees and do you have any information on how those funds were used by either the landowner, local community, or government?

ATTACHED

- c. Do you have information on other funding activities that are being carried out, or were carried out, by the safari outfitter, professional hunter, concession holder, or landowner that provide a conservation benefit to the species being hunted/species hunted?

hereby constitutes and appoints WELL Worldwide Energy Logistics, Inc. ("Broker"), its officers and employees, and or specifically authorized agents, to act for and on its behalf as a true and lawful agent and attorney of the grantor for and in the name, place, and stead of said grantor, from this date, in the United States (the "territory") either in writing, electronically, or by other authorized means, to: Make, endorse, sign, declare, or swear to any Customs entry, withdrawal, declaration, certificate, bill of lading, carnet or any other documents required by law or regulation in connection with the importation, exportation, transportation, or any merchandise in or through the customs territory, shipped or consigned by or to said grantor; Perform any act or condition which may be required by law or regulation in connection with such merchandise deliverable to said grantor; to receive any merchandise; Make endorsements on bills of lading conferring authority to transfer title; make entry or collect drawback; and to make, sign, declare, or swear to any statement or certificate required by law or regulation for drawback purposes, regardless of whether such document is intended for filing with Customs; Sign, seal, and deliver for and as the act of said grantor any bond required by law or regulation in connection with the entry or withdrawal of imported merchandise or merchandise exported with or without benefit of drawback; or in connection with the entry, clearance, lading, unloading or navigation of any vessel or other means of conveyance owned or operated by said grantor; and any and all bonds which may be voluntarily given and accepted under applicable laws and regulations, consignee's and owner's declarations provided for in section 485, Tariff Act of 1930, as amended, or affidavits or statements in connection with the entry of merchandise; Sign and swear to any document and to perform any act that may be necessary or required by law or regulation in connection with the entering, clearing, lading, unloading, or operation of any vessel or other means of conveyance owned or operated by said grantor; Authorize other Customs Brokers duly licensed within the territory to act as grantor's agent; to receive, endorse and collect checks issued for Customs duty refunds in grantor's name drawn on the Treasurer of the United States; if the grantor is a non resident of the United States; to accept service of process on behalf of the grantor; And generally to transact Customs business, including filing of claims or protests under section 514 of the Tariff

Act of 1930, or pursuant to other laws of the territories, in which said grantor is or may be concerned or interested and which may properly be transacted or performed by an agent and attorney. Giving to said agent and attorney full power and authority to do anything whatever requisite and necessary to be done in the premises as fully as said grantor could do if present and acting, hereby ratifying and confirming all that the said agent and attorney shall lawfully do by virtue of these presents; This power of attorney to remain in full force until revocation in writing is duly given to and received by grantee (if the donor of this power of attorney is a partnership, the said power shall in no case have any force or effect in the United States after the expiration of two years from the date of its execution); Appointment as

Forwarding Agent: Grantor authorizes the above Grantee to act within the territory as a lawful agent and sign or endorse export documents (i.e. commercial invoices, bill of lading, insurance certificates, drafts and any other document) necessary for the completion of an export on grantor's behalf as may be required under law and regulation in the territory and to appoint forwarding agents on grantor's behalf; if the Grantor is a Limited Liability Company, the signatory certifies that he/she has full authority to execute this power on behalf of the Grantor. Grantor acknowledges receipt and acceptance of these Terms and Conditions of Service of Broker governing all transactions between all the Parties. This Power of Attorney constitutes authorization for you to forward all Customs entries, bills and related documents in care of our Forwarding Agent, Safart Specialty Importers, who arranges for the importing and international carriage of our merchandise pursuant to the executed Authorization to Import with them. This clause is intended to allow all parties to insure compliance with 19 CFR 111.36. We acknowledge that as Importer of record payment to the broker will not relieve us of liability for Customs charges (duties, taxes or other debts owed Customs) in the event that the charges are not paid by the Broker/Forwarding Agent. We further acknowledge that Customs charges may be paid with a separate check payable to the "U.S. Customs" which shall be delivered to Customs by the broker.
