

## Forest Practice

### Timber Harvesting Plan Status

The THP information found at this site was taken from Timber Harvesting Plans that are under review by CAL FIRE. It is meant to familiarize users with the THP process, and provide general information on THPs currently under review. Every attempt will be made to update the information daily, however, the information should not be relied upon without checking the actual THP document that was submitted to CAL FIRE at the appropriate Review Team Office. In the event of any discrepancy, the information in the actual THP documents submitted to CAL FIRE will take precedence.

For copies of THPs or additional THP information please contact the appropriate CAL FIRE Review Team Office that received the THP using CAL FIRE Contacts.

Copies of THPs and associated documents are available online. The CAL FIRE THP review e-posting site (at: <http://thp.fire.ca.gov/THPLibrary/>) contains copies of documents associated with the submittal and approval of THPs.
