Good morning, Elizabeth

Yes, let's find a time to talk today. I'm thinking afternoon (before you leave), as I'm struggling to deal with the cumulative effects issues she's raised. I'm trying to put that together this morning, and then as soon as I'm done with that, I'll reach out to see if you're available.

Will that workk for you?

Dan

Hi Dan,

I am wondering (hoping) if you have time today to chat about Kerry's comments for NCSO. There are few that I think you can help me walk through. I am not available from 10:30 -11:30 and need to leave the office by 3:10 today.

I haven't looked through the Fris comments yet, but plan to start that now.

Thank you,  
Elizabeth
