Hi Sue,

When you get a chance (!), let me know what you think of two of Elizabeth's comments, WE5 and WE6.

Also, the attached doc with today's date is my attempt to incorporate Elizabeth's other comments, so if you can take a look at those and let me know if I addressed them adequately, I'd appreciate it.

Thanks,

Dan

Hi Dan,

Thank you for the work on this! I have a few thoughts (see attached) and apologize that I do not have more time to spend on this before taking care of other commitments today.
