Subject: Ownership

Hi Gina, Got your message under the gun on a bunch of stuff right now.

I was in the process of building ownership, but we had issues with classifications and who really owns what.

I combined both Northern and Southern and built the ownership within base on BLM SMA / CalFire owner and we started to add wilderness and monuments, but I can't remember where we stopped.

Once I get a break with the people here I'll try to get you some tables showing the issues and then call so we can figure out what we need to do.

Hope this helps, Ed
