I'm including separate shapefiles for the two DPSs so you have both. Enjoy.

Hi Gina,
Thanks for preparing the ownership analysis. I realized after looking at this that we don't have a GIS layer for the SSN DPS here. Would it be possible to share that with Madeline and me? Thanks!
Josh

Subject: ownership acres and percent

I've created ownership tables with acres and percent. They are attached here. Any thoughts on where to put them? I was thinking it would be good to put the NCSO table in the NCSO section, the SSN table in the SSN section, and leave out the table with both DPSs? Will likely take a little text?

Beginning of current condition for each DPS?
