Here you go....

I've attached the track change version you sent me with your comments, and included my responses to them and other changes related to the wording about Stirling and NSN populations.

I also took that doc and accepted all edits, and saved it as a CLEAN version.

Once you're good with this and provide your surname, Heidi will go through the CLEAN doc and give it her "PRB-hat" review, as there have likely been slight formatting errors due to these revisions.

Once that's done, we plan to upload for HQ review.

Please let me know if you need anything else at this point.

Thanks,  
Dan
