I think it is fine to share. I think for SSN, it will be important to have it posted in ECOS. Not as sure about posting for NCSO.

Hi Gina-

Can we share this DPS boundary with other FWS offices?

Just curious if this is something that eventually would be posted to ECOS or if it's an internal FWS only GIS file.

Thanks and sorry to bother you.

Let me know if there is someone else I should be contacting instead for questions like this.

Hope you're doing well and things in Ashland are okay. Seems like a nice place to go for walks.
