Attachments: Fisher Range from Final Rule.jpg

Hi Meghan,

Attached is the range map that is in the final listing rule. We did get the GIS layers from the Yreka office, so if we need to make our own map or look at the range map with county or public land ownership layers we can do that.

Hi Madeline,

Would you be able to share a copy of the final range for fisher in the rule? I think I've been working off an older version that doesn't show Inyo or Mono county in the range.

Thanks!
Meghan
