FYI...

Caitlin Snyder reached out to PRB, and they reached to the OFR. Here is the update:

PRB checked with the OFR. Their response: Due to the backlog and all the COVID documents we receive, [the fisher document has] still not been picked up by an editor. We're working our way up to 4/24 submissions, and yours is a large one as well. One of us will pick up ASAP.

Caitlin says, based on the OFR's response, PRB said it could be another week or so before we get a pub date from the OFR.

Let me know if you have any questions I can follow up on.
Thanks,
Dan
