Subject: Please Review: Tribal Letter for Fisher decision

Hi Sarah and Rick,

Hope you both are doing well. Attached for your review is the tribal letter for the fisher announcement. This letter will only be sent out via email. Yreka FWO took the lead on drafting the letter and I slightly adjusted it to include our office's contact information. I included Josh's contact information at the bottom, but feel free to edit that if you would like inquiries directed to another staff member. Please send me any edits before the end of the week (or before we have to do notifications if this hits the FR this week - I have no updates on timing at this point).

Thanks!
Meghan

In an effort to slow the spread of the coronavirus (COVID-19), staff in the Sacramento Fish and Wildlife Office have implemented an aggressive telework schedule. At this time, we are responding to requests for information via email or phone as often as possible as we do not have the in-office capacity to support regular mail service. We appreciate your understanding.
