Sorry for the delay - attached are the FINAL NR with correct dates, FR links, to post and email to your contacts; I'm also attaching approved Comms Plan and FAQs sent out last week. Please use these for reference for any inquiries (you and SMEs).

We should be set for Wednesday morning with Congressional outreach by 10am (Lauren and Miel), then Tribal and federal partner outreach by 11am. I sent suggested email language last week to include with that outreach, indicating that questions and our responses are only being done via email.

Thursday is media, stakeholders and posting to your social media/FWO websites by 11am. HQ outreach to National partners/NGOs, will occur by 11am Eastern time. I am going to try to do my outreach early Thurs so our local stakeholders, media are aware about the same time as back east.

We will need to publish a Legal Notice in our respective news outlets, I will send suggested text in a sept. email. Please let me know where and when you plan to publish, and send me a copy of the statement after it publishes.

Please let me know if you have any questions or if you need any more info for this outreach or if I've missed something - which is entirely possible at this point!😊

*Thank you all for your help on this, and good luck on media management!*

*In an effort to slow the spread of the coronavirus (COVID-19), the Yreka and Klamath Falls FWOs and the Klamath Basin refuge complex offices are implementing a telework protocol through the end of April. I am only able to respond to requests for information via email or by cell phone at this time. I appreciate your understanding. Stay aware, stay healthy!*
