Action completed!

I will start to build out the Placer County HCP announcement details, either later today or tomorrow morning.

Respectfully,
Grant

In an effort to slow the spread of the coronavirus (COVID-19), staff in the Sacramento Fish and Wildlife Office have implemented an aggressive telework schedule. At this time, we are responding to requests for information via email or phone as often as possible as we do not have the in-office capacity to support regular mail service. We appreciate your understanding.

Meghan,

Links and information for the Fisher Announcement have been updated on the Test site. Please review, and if all is well, we will publish to production.
