**Subject:** SpaceX Texas Launch Site: Annual Report - Cultural Resources

All –

Per the cultural agreements, attached is the annual cultural report for the SpaceX Texas Launch Site.

Based on the doodle poll – March 16<sup>th</sup> is the day that most people can attend – with the most agency representation. Ross Melinchuk from TPWD is helping secure a meeting location. Unfortunately – Ross won't be able to make the 16<sup>th</sup> but will have other TPWD folks at the meeting. We also plan to visit the future launch site after the meeting. For anyone who cannot make the meeting in person, we will have a conference line set up.

I will send out a separate email with an agenda and meeting logistics next week.

Please let me know if you have any questions.
