This meeting is to discuss the environmental analysis for the SpaceX Starship Prototype project. SpaceX will be reviewing an outline of their proposed project going forward, along with the plans to update the NEPA document, the Programmatic Agreement and Biological Opinion and associated plans.

The current environmental documentation is located here:

https://www.faa.gov/about/office_org/headquarters_offices/ast/environmental/nepa_docs/review/launch/spacex_texas_launch_site_environmental_impact_statement/#spacex

SpaceX will have the read ahead materials by the end of this week.

Stacey,

can you provide me with one or two sentences that cover what the meeting is about or what we are discussing (I don't need an agenda, but I am trying to get an Information memo done by COB today and want to mention tis meeting). Thanks.
