Hi Mary –

Ok, fantastic. I am adding Randy Rees, we will reach out to Bryan directly to coordinate the visit.

Also, below is the link to the closure notification, we apologize for not sending this sooner, at this point we are planning on using the backup date of 3/21 as outlined in the notification.

Stacey and Matt:

I talked to Bryan and to Ernesto. They are willing to meet with your staff and discuss the activities planned for tomorrow and do a site visit with them. Bryan's number is (956) 784-7521. Ernesto from ES may try to go with him but if not available, maybe Laura can. If you have staff that can meet with Bryan prior to our 2:00 pm call that would be great. Call him direct to make those arrangements.

Talk to you at 2:00.

Bryan this is our call in information if you are able to call in at 2.

Call in number 877 985-2565.
