All –

Attached is the USFWS signature page on the SpaceX Texas Launch Site PA. We will add this to the overall copy and send out a fully signed copy later today.

The signed PA will also be uploaded to the project website –

http://www.faa.gov/about/office_org/headquarters_offices/ast/environmental/nepa_docs/review/documents_progress/spacex_texas_launch_site_environmental_impact_statement/

It will also be attached to the ROD.
