**Date:** Thursday, October 24, 2019 10:04:15 AM  
**Importance:** High

---

**FOR OFFICIAL USE ONLY:**

Space Exploration Technologies, Corp. (SpaceX) is planning to conduct routine system testing on Saturday, November 2, 2019 at the company's site located near Boca Chica Beach, Cameron County, Texas. The window for testing will be from 12pm to 8pm. Sunday, November 3 and Monday, November 4, have been approved as backup days if they are needed.

As required for these activities, SpaceX will establish a safety zone perimeter in coordination with local law enforcement that will include temporary closures of Highway 4 and Boca Chica Beach. These closures will not restrict access to local homes and businesses located west of the intersection of Highway 4 and Eichorn Blvd. Cameron County has established a hotline for road closure updates at 956-548-9541, and public notices will also be available online at [www.co.cameron.tx.us](http://www.co.cameron.tx.us)

SpaceX will provide periodic updates to this email list with changes to the schedule and with additional details on the closure dates and times. If you have questions about our schedule, please feel free to email this account.
