FREITAS UPLAND PHEASANT UNIT

Hunting regulations for the Freitas Upland Pheasant Unit on Wednesdays, Saturdays, Sundays during the pheasant season.

Hunting is subject to the following regulations or as otherwise posted (map on reverse):

1. Hunters must possess a valid hunting license, stamps, and area permit while in the field.
2. You may possess not more than 25 federally-approved non-toxic shotgun shells once you have left the parking lot.
3. Vehicles must be parked in the Pheasant Unit parking lot. Access to the hunt unit is by foot only.
4. Only pheasants may be hunted when hunting in the Freitas Upland Pheasant Unit under a pheasant unit permit.
5. All permits must be completed and returned to the check station immediately upon completion of your hunt.
6. Use or possession of alcoholic beverages while in the field is prohibited.
7. This unit is open only on Wednesdays, Saturdays, and Sundays during California's normal pheasant hunting season. All hunters must check-in at the Kesterson check station to obtain an area-specific permit, and return the permit to the check station upon completion of the hunt and before departing the area.
8. Hunters may not move back and forth between the Freitas Upland Pheasant Unit and the Freitas boat-in waterfowl zone without changing their hunt assignment at the check station.
9. Hunters may enter the field after obtaining a permit from the check station, but no shooting is allowed until start of official 8:00 a.m. shoot time.
