

Hatchie National Wildlife Refuge is one of more than 560 National Wildlife Refuges. The refuge was established to provide essential habitat for migratory birds. The U.S. Fish and Wildlife Service administers the Refuge System and is responsible for conserving, protecting, and enhancing the Nation’s fish and wildlife populations and their habitats for the continuing benefit of people.

The provisions listed below supplement the general regulations which govern public use on a National Wildlife Refuge as set forth in Title 50, Code of Federal Regulations. When permitted, hunting, fishing and other public uses will be in accordance with applicable State laws unless otherwise listed.

General Provisions and Access Regulations

Access - By law, National Wildlife Refuges are closed to all recreational activities unless expressly permitted. Hunting, fishing, and certain other recreational uses are permitted on most areas of the refuge. The refuge is a Day Use Area Only. The refuge is closed from legal sunset to legal sunrise with the exception of legal hunting activities. We allow hunters to access the refuge no more than two hours before legal sunrise to no more than two hours after legal sunset, with the exception of raccoon and opossum hunters. We allow access to raccoon and opossum hunters from legal sunset to one hour before legal sunrise. Contact the Refuge Manager for current regulations and authorized activities.

Drones

Drones are prohibited.

Vehicles

Only legally licensed vehicles are allowed on maintained refuge roads and parking areas. ATV’s, UTV’s, and off-road motorized vehicles are prohibited. Parking as to block travel through refuge access roads, gates, and trails is prohibited. Vehicles may be parked along side refuge roads in a manner that will not interfere with the normal flow of traffic. The use of parking lots/areas is encouraged. Airboats, Jet Skies, and Hovercraft are prohibited.

Mobility Impaired Access

Most refuges are universally accessible to the disabled. Persons with disabilities are encouraged to participate in refuge hunts and other activities. Contact the Refuge Manager for guidelines and regulations.

Roads

Roads may be closed at any time due to adverse weather conditions or management needs. Vehicles must remain on established roads as indicated on the map on this leaflet. Vehicles

may be parked alongside open roads in a manner that will not interfere with the normal flow of traffic. Avoid driving on refuge roads during wet conditions as damage to the roads will result.

Foot Trails

Foot trails are closed to non-hunters during youth deer hunt and quota deer hunts.

Alcohol

The use or possession of alcoholic beverages is prohibited while on refuge lands and waters.

Closed Areas

Designated areas are closed to hunting, fishing, and all public access during fall and winter months to provide resource protection (see map for specific locations and dates of closures). Other areas may be closed for special management or safety reasons. All refuge access is prohibited from legal sunset to sunrise unless specifically authorized by the Refuge Manager.

Camping and Fires

Camping and fires are prohibited on Hatchie NWR.

Swimming

Swimming is prohibited on Hatchie NWR.

Dog/Pet(s)

Dogs are permitted for small game and migratory bird hunting. All dogs used for hunting on Hatchie NWR are required to wear a collar displaying the owners name, address, and telephone number. All other dogs/pet(s) must be kept on a leash while on Hatchie NWR.

Refuge/ Cultural Resources

All government property including natural, historic, and archaeological features are protected by Federal Law. Searching for or removal of objects of antiquity or other value is strictly prohibited.

Monitoring Devices

The use of electronic or photographic trail monitoring devices on Hatchie NWR is prohibited.

Boats

Boats used for any activity must be removed from the refuge daily. All State boating regulations apply. Nonmotorized boats and boats with electric trolling motors only. The use of gas or diesel motors is prohibited, except in the waterfowl hunting area. Boats are allowed on refuge lakes 18 feet or less in length.

Bait

The use or possession of bait, or hunting over bait is strictly prohibited. Baiting means the direct or indirect placing, exposing, depositing, or

scattering of any salt, grain, powder, liquid, or other feed substance to attract game.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).

Carrying, possessing, or discharging of fireworks, or explosives on National Wildlife Refuges is prohibited. The use or possession of air guns, spears, or similar weapons on National Wildlife Refuges is prohibited.

Tree Stands and Tree Steps

All tree stands must be removed from the refuge daily. The use of screw in tree steps, nails, wire, screws, or bolts to climb a tree or to attach a tree stand to a tree, or hunting from a tree into which a metal object has been driven is prohibited.

Tree Marking

It is prohibited to mark any tree or other refuge feature with paint or similar substance. All flagging tape and other marking materials must be removed at the end of the hunt day.

Brush and Tree Removal/Clearing

The cutting of holes, lanes, or any other manipulation of the vegetation (e.g. cutting of bushes and trees, mowing, herbicide use, and other actions) is strictly prohibited. The possession of saws, machetes, axes or other tools for cutting vegetation is prohibited.

Youth Supervision

Youth hunters 6-16 years of age may participate. Youth hunters must be accompanied by an adult, 21 years of age or older, who must remain in a position to take immediate control of the hunting device and must also comply with fluorescent orange regulations, as specified for legal hunters. No more than two youth hunters per adult. No more than one youth hunter per adult during big game hunting activities.

Nontoxic Shot

All hunters using shotguns for hunting on Hatchie NWR must use and possess ammunition containing approved non-toxic shot only. The possession of lead shot is prohibited.

Hunter Education

Hunters born after 01/01/69, must possess proof that they have successfully completed a hunter education course. All hunters are encouraged to complete a hunters safety course.

Specific Hunting Regulations

All hunters must possess and carry signed refuge permit (signed refuge brochure). Big game harvested on the refuge must be checked in according to TWRA regulations. Hatchie NWR must be specified as the location of harvest and all big game taken on the refuge must be counted toward the Statewide bag limit.

Deer gun hunters may possess lead rifled slugs while hunting on the refuge.

Horses, mules, and burros are permitted only on refuge roads open to motorized traffic. We prohibit the use of horses and other animal conveyances from all other areas including fields, woods, waters, foot trails, and service roads/trails.

All hunting is prohibited within 100 yards of the Refuge Headquarters, the disability fishing facilities, and the Wildlife Drive/Auto Tour Road at Oneal Lake.

Signed refuge permits and applicable State licenses are required. Waterfowl hunters that are 16 or older must have a Federal Duck Stamp.

Only species listed in this regulations leaflet as open to hunting may be hunted/harvested on the Refuge.
