2022 Application and Bid Form for Haying Privileges

Name _____ Application Date _____

Address _____ Telephone No. _____

City, Zip Code, and County _____

Email (optional) _____

The U.S. Fish and Wildlife Service (Service) is planning to allow approximately 437 acres of standing hay to be cut on 10 Waterfowl Production Areas (WPAs) in the Valley City Wetland Management District in 2022. Bids will be accepted immediately and opened at 1pm, Monday, July 25, 2022. You may mail your bid(s) to the address above or email them to kurt_tompkins@fws.gov.

Pre-inspection of units is encouraged. Successful bidders will be notified by telephone no later than July 25th and issued a Special Use Permit. Following receipt of the signed permit, the Service will allow cutting to begin on August 1st. Hay and equipment must be REMOVED from the fields by September 1, 2022.

Please write your bid in the table on the other side of this form. If you bid on more than one hay unit, please rank the hay units in priority order by circling a number in the "Bid Priority" column for each unit, 1 being your highest priority and 5 being your lowest.

If you are the high bidder on your first priority hay unit, we will issue you a permit to cut the hay on that unit. If you are the high bidder on units that you ranked lower than your number one priority, you will be offered the opportunity to hay the units you ranked lower than number one if there are no other bidders for those units.

If there are other bidders on the units you ranked lower than number one, the next highest bidder on the unit will be given the opportunity to hay the unit at the price that the bidder submitted, provided that bidder has not been successful on other units.

We will calculate the final bill using the acres provided on the bid sheet and map. Actual acres you are able to be hay may be less than what is shown on the map, so please bid accordingly.

If you have any questions, please contact Kurt Tompkins, District Manager, at 701-840-3128 or kurt_tompkins@fws.gov. Our phone number and address can be found above.

Please sign and date below the bid table on the back of this form and submit to our office at the address above by the bid opening.
