

Julia Butler Hansen

Refuge for the Columbian White-tailed Deer Hunting Regulations 2022–2023

Safety - Tides

Hunters are cautioned to pay attention to tidal fluctuations when hunting tidal areas.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).

Foot Traffic Only

All island units of the Refuge are open to foot traffic only unless otherwise specified.

Boats

The islands of Lewis and Clark Refuge are accessible only by boat. Tidal flows and fluctuations, strong wakes from ships, and strong winds can make boating difficult and sometimes dangerous. Deep channels separate most islands at high tide, but tide tables and navigation charts should be consulted to avoid grounding on sandbars. If your boat becomes stuck in the mud, wait for the next high tide to float it free. In Oregon, boat launch sites are located at Aldrich Point near the Brownsmead area and at the John Day boat ramp east of Astoria. In Washington, launch ramps are located at the Cathlamet Marina, at mile marker 30 off of State Highway 4, adjacent to Skamokawa Vista Park and at Willow Grove west of Longview. In Washington, launch ramps are located at the Elochoman Slough Marina (in Cathlamet), at mile marker 30 of State Highway 4 (adjacent to Skamokawa Vista Park), and at Willow Grove Park (west of Longview).

Accessibility Information

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, <https://www.doi.gov/pmb/eeo/public-civil-rights>.

Blinds

Temporary blinds may be constructed. We prohibit permanent blinds. You must remove all personal property, including decoys and boats by 1 1/2 hours after legal sunset.

Dogs

Dogs are prohibited on all Refuge units except certified assistance animals and dogs used for hunting waterfowl. Dogs must always remain in the control of their handlers.

Hunting Regulations

Hunting regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting is permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations."

Waterfowl hunting will be in accordance with applicable Washington Department of Fish and Wildlife Wildlife or Oregon Department of Fish and Wildlife regulations regulations subject to the conditions stated below.

Access

The Refuge is open daily from dawn to dusk. Hunting access is from 1 1/2 hours before legal sunrise until 1 1/2 hours after legal sunset.

Welcome

The Julia Butler Hansen Refuge for the Columbian White-tailed Deer (Refuge) contains over 6,000 acres of pastures, forested tidal swamps, brushy woodlots, marshes and sloughs along the Columbia River in both Washington and Oregon State. It was established in 1971 to protect and manage Columbian white-tailed deer. The hunting of geese, ducks, coots, and snipe is permitted in specific units of the Refuge in accordance with federal and state hunting regulations.
