

Willapa National Wildlife Refuge

Camping on Long Island

- Campgrounds are primitive. Camp only in designated areas.
- Kayaks are ideal to access the island. A 6' tide or higher is needed. Land boats safely along shoreline near campground.
- Fires allowed in designated pits only. Burn only downed wood and douse fires out cold.
- Bears and cougars are on the island! Contain your food.
- Pack it in, pack it out! There are no trash services.
- Water is not available. Bring your own.
- Dogs are prohibited.
