

Lewis Creek - River Water-Use Advisory Area

**All residents within the advisory zone
have been contacted in advance
and their water use needs have been accommodated.
Advisory zone public access sites are posted
while the advisory is in effect.
The Vermont and New York State Departments of Health
ADVISE that the water in the advisory area not be used
for DRINKING, DOMESTIC USE, FISHING, SWIMMING,
IRRIGATION, or LIVESTOCK WATERING while in effect.**

**Citizens not located within the advisory zone
are not subjected to the advisory.**
