FYI - BLM has pushed back their deadline for completing FIAT assessments to the end of February. The new timeline includes a 2 week review period for FWS to provide comments (**JAN 20 - FEB 3**).

FYI and distribution, attached is a revised table denoting the upcoming milestones and due dates for FIAT assessments. This revised timeline reflects a review period of the draft assessments by USFWS and BLM leadership, and then a subsequent period for revisions and improvements in assessments.

Thanks, Doug
