FMT and Friends:

Please see below a working agenda and related information for our monthly FMT call, scheduled for this Thursday, 03/12/15 at 2:00 pm MDT. Please budget 90 minutes for the call and we'll do our best to keep it under that.

Please note we've built time into the agenda for discussion about key items from around the range, so please bring those items to the call.

Project Leaders: if you are unable to attend, please advise in advance and please indicate who will attend in your place.

Region 6 RO staff: please join us in the RD's conference room for the call if you are able. This helps us conserve lines.

Thanks, and we look forward to speaking with everyone later this week.

Matt
