Good Morning-

In preparation for the upcoming Analysis Meetings this spring, we ask that you take a moment to familiarize yourself with some of the initial chapters that were shared with the RDs earlier this year.

They include:

- [Hunting](#)
- [Recreation](#)
- [Disease](#)
- [Urban/Exurban Development](#)
- [Drought](#)
- [Fences](#)

We presented a brief overview to the states, and a slightly more in-depth series of slides to the RDs.

The slides shared with the RDs are available on SharePoint (<https://portal.doi.net/usfws/SG/docs/Forms/ppt.aspx>). Direct links are associated with the list of topics above ([Hunting](#) is one presentation, [Recreation and Disease](#) a second, and [Urban/Exurban Development, Drought, and Fences](#), a third).

If you have any questions, please let me know.

Thank you,  
K
