Folks,

We will hold our next FMT call this Thursday (11/13) at the regular time (2 pm MST). Please budget up to 2 hours for the call: there's lots in play and we want to provide adequate time for meaningful exchange of information and to make sure we are all up to speed on various issues.

Project Leaders: please make every effort to attend or otherwise ensure your station is represented in your absence.

Below is a draft working agenda. Please let me know if you have any immediate questions. We look forward to speaking with everyone on Thursday. Thanks.
