All

As discussed on Thursday's call, we are going to compile a rangewide GRSG stakeholder list for the September rollout and beyond. And we'd like your help.

What we'd like to do is figure out who among those you work with should get information about our decision directly from us? We're looking for lists, spreadsheets, online rosters, etc with stakeholders of all stripes: NGOs, land trusts, industry representatives, grazing groups, SWCDs, LWGs, Extension folks, etc. Especially interested in county contacts.

I suspect what you do have will be in a variety of formats, so in hopes of making this a light lift, Jennifer Sturdivant has created a new folder on the National GRSG sharepain site. If you could upload files there, we'll sort out the fields later.

Very much appreciate your assistance

Have a good weekend.
