Hey Adam. Have you guys done anything with this data? Look at trends and numbers for the populations? JB

Can you send data to USFWS at the same time that we sent 2015 update to WAFWA? Let me know if problems.

Thanks.

C

Hi Catherine. Per our conversation yesterday, once compiled could you please send the GRSG monitoring data through 2015 to both Jodi and me? We understand that your target for completing that compilation is approximately the end of June. Thanks much!

Jeff
