National Wildlife Refuge Hunting Regulations 2023–2024

Welcome

Muscatatuck National Wildlife Refuge was established in 1966 along the Vernon Fork of the Muscatatuck River "...for use as an inviolate sanctuary, or for any other management purpose, for migratory birds" The refuge mission is to restore, preserve, and manage a mix of forest, wetland, and grassland habitat for fish, wildlife and people. More than 290 species of birds have been seen at Muscatatuck, and the refuge is recognized as a "Continentially Important" bird area.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32.)

Vehicles

Licensed motor vehicles are permitted only on public use roads. ATV and UTVs are prohibited.

Accessibility Information

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, <https://www.doi.gov/pmb/eeo/public-civil-rights>.

Hunting and Fishing Regulations

Hunting and fishing regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

Access

Hunters may only access the Refuge from 1 hour before sunrise to one hour after legal sunset.

Hunters may park in designated parking areas or along roadsides so long as no part of the vehicle is in the road. Blocking trails or levees is prohibited.
