

U.S Fish & Wildlife Service

# National Conservation Training Center

## *Course Description*

### Motorboat Operator Instructor (MOICC) Certification

SAF4101

#### Target Audience

Experienced motorboat operators who have completed the Motorboat Operator Certification Course (MOCC) or approved equivalent.

**NOTE:** The Motorboat Operator Instructor Certification Course is scheduled through the Regional Watercraft Safety Coordinators.

**DO NOT SUBMIT AN APPLICATION THROUGH DOI TALENT FOR THIS COURSE.**

#### Summary and Objectives

The MOICC is targeted toward experienced motorboat operators who have completed the Motorboat Operator Certification Course (MOCC) or approved equivalent. Since the primary objective is to qualify individuals to present MOCC training to other DOI personnel, the course stresses instructional techniques and presentations. After successfully completing the course, attendees are expected to participate in teaching one MOCCs per year in coordination with an experienced group of instructors from their Region. MOICC Information: <http://nctc.fws.gov/mocc>.

Upon completion of this course, participants will be able to:

- Train personnel in instructional techniques and presentations and qualify them to serve as MOCC instructors.
- Review with attendees, classroom and on-the-water requirements of the MOCC, emphasizing instructional goals and objectives.
- Familiarize attendees with how to safety and efficiently conduct the training.

#### Prerequisite

DOI's [MOCC](#), or equivalent course approved by the Bureau's National Watercraft Safety Lead.

#### Curriculum Category

Conservation Safety and Emergency Response

#### Course Type

Instructor Led

#### Tuition

\$995

#### Instructional Hours

36

#### Credits/ CEUs

3.0

#### College Credits

2 semester hours
