

South Dakota ESFO Online Project Review Request

Projects with a 'likely to adversely affect' determination for federally-listed species or a 'likely to adversely modify' determination for critical habitat with NO federal nexus

Date:

From:

To: U.S. Fish and Wildlife Service
South Dakota Services Field Office
420 S. Garfield Ave, Suite 400
Pierre, South Dakota 57501

Re: Online Project Review Request (Project Title):

We have reviewed the referenced project using the South Dakota's ESFO's On-line Project Review Process website and have followed all guidance and instructions in completing the review.

We completed our review on _____ and are submitting our project review package in accordance with the instructions for further review.

Our proposed action consists of:

Project location:

Project start and completion dates:

--

Project review is needed for:

--

The enclosed project review package provides the information about the species and critical habitat considered in our review, and the species conclusion table included in the package identifies our determinations for the resources that may be affected by the project.

Sincerely,

--

Enclosures:
