

UNITED STATES DEPARTMENT OF THE INTERIOR
SPORT FISHING AND BOATING PARTNERSHIP COUNCIL

CHARTER

1. **Official Designation:** Sport Fishing and Boating Partnership Council (Council).
2. **Scope and Objective:** The Department of the Interior (Department) and the United States Fish and Wildlife Service (Service) believe that public and private sector entities are critical sources of information and advice about the conservation of aquatic resources and the recreational fishing and boating opportunities they offer. The Department and the Service believe that establishment of an advisory committee representing these entities achieves these goals. The advisory committee is designated the Sport Fishing and Boating Partnership Council (Council) and will advise the Secretary of the Interior (Secretary) and the Director of the Service (Director) about aquatic conservation endeavors that benefit recreational fishery resources and recreational boating and that encourage partnerships among industry, the public, and government.
